

Making a Payment

As a service for our members, we provide the opportunity to pay your membership dues online using a credit card (Visa, MasterCard, American Express) via PayPal.

To provide this service, PayPal charges a 3% fee for each transaction.

To make a payment, you must have a PayPal account already established. To create a PayPal account, please visit their site at www.paypal.com.

If you have any questions about paying online, please contact Hank Keegan, WHSC Treasurer at whscmember@gmail.com.
